How It Works

The process of selling your car with Cardeal is easy and straightforward. Our employees will keep you informed so you will understand what happens next.

Step 1: Fill out a form that provides accurate information about your car (i.e., VIN, year, make, model, mileage, condition of car, accidents)

Step 2: Get an instant offer on your car that is good for 7 days.

Step 3: Provide access to car. Deliver car to closest cardeal location or have us come get it.

Step 4: Provide title proving your ownership of the vehicle.

Step 5: Cardeal will inspect your car to verify its condition.

Step 6: If everything checks out, you can decide if you want to accept the offer. You can go with cash or apply the money to a trade in.

- We are happy to take off your hands "less-than-perfect" cars that have body damage, mechanical problems, or excess wear and tear.
- We'll buy your car and you aren't required to buy one from us.
- Avoid getting ripped off by scammers and swindlers. We make the process of selling your car fast, easy and safe.
- Cardeal employees are dedicated and professional. This has earned us an A+ BBB rating plus thousands of reviews from satisfied customers.
- make and model driven on American roads.
- We have locations in all 50 states making it easy for you to deliver your car or have us come to you to pick up your car.
- Cardeal cares about people as much as cars. We have donated over a million meals to Feeding America and Meals on Wheels.

Testimonials

Short intro paragraph: Don't just take our word for it. See what our customers have said.

Honest business. They gave clear explanation every step of their process, even allowing you to be there during inspection of your vehicle. Safest way to sell a car I have ever experienced.

Very pleased. In all honesty I had my doubts it would be this easy to sell my car to anyone let alone Cardeal or any other online service. But they are on the up and up. I would recommend this site to anyone who wishes to sell their car quickly. Thank you Cardeal!

They were very prompt and when they gave me a quote they stood behind it. Communication throughout the whole process was awesome. They picked up my car at my home which was convenient for me since I have three young kids. My overall experience was great.

Frequently Asked Questions

How is Cardeal different from other online car buyers?

Cardeal will buy "any" car even if it has a blown engine. At Cardeal we want to offer the highest value, quick payment for cars, convenience, and a secure transaction. If you sell us your car, you

are not obligated to buy your next car from us although we promise that if you do you will get a great deal.

How is the price of my car calculated?

Prices are calculated based on the current market value of your car and its condition.

What costs will I be responsible for?

Cardeal is a free service. There are no charges for evaluations and offers. If you sell a car with Cardeal, we pay for pick up and towing. We have no hidden costs.

How quickly can you have my vehicle picked up?

Cardeal has a branch in every state. Therefore, we can usually pick up your vehicle within 24 to 48 hours after you accept our offer.

What type of documentation will I need to provide?

When filling out the online form, you will be asked to enter your Vehicle Identification Number (VIN). A vehicle's VIN contains its year, make, model, trim information and other auto options and details. Cardeal also requires a title in the seller's name. We cannot buy your vehicle without a valid, signed title from the registered vehicle owner

Will you buy my car if I can't get it started?

If you have a damaged, wrecked or non-running car on your hands, Cardeal can help you get rid of it. We'll give you a fair market offer for your car that's tailored to your vehicle's conditions and local market demands.
